

Current Registered Tenants Organisations

Background to Preparation of Register

In January 2004, The Tenant Participation Advisory Service was commissioned by Cairn Housing Association to develop the Association's Tenant Participation Strategy. In addition to this TPAS also was responsible for completing the Register of Tenant Organisations. To achieve this TPAS was in contact with all tenant and resident groups who are currently operating within Cairn Housing Association's housing stock. An application form along with a fact sheet on RTOs was sent to all groups. TPAS followed this up with a phone call to all groups offering training and assistance on completing the application form.

At 1st March 2005, no pre-existing group has registered with the Association after this initial approach from TPAS.
